# Four Hundred and Fifty Thousand Dollars

The 1914 Club is now open and will close on December 31. For this coming year the saving will continue for 50 weeks. Payments are so small that you feel no hardship in making them regularly—it's simply "putting away" some of the "loose change" which usually goes for nothing of importance. But when it's time to receive the result of this saving you're delighted with the substantial amount to your credit.

# Classes Paying a Stated Amount Each Week

This year we have two classes for those who wish their payments to be the same amount every week.

Pay 50c weekly and you will have a total of \$25.00—or pay \$1 weekly and you will have a total of \$50.00.

### To These Amounts We Add 3% Interest If All Payments Have Been Made As They Became Due

Payments are due on Monday of each week and MUST be made before the close of business on Saturday of that week to entitle the member to interest allowance.

#### Club Rules and General Directions:

As the object of the Club is to help you accumulate a Christmas fund, no withdrawal of money will be allowed. Two weeks before Christmas you will receive the full amount, plus 3 per cent interest if all payments have been made as they became due.

Should you be compelled to discontinue, or fail to make any payments when due, you will receive the total of all that has been paid in, when the Club closes, but without interest.

When joining the Club kindly present a slip on which your name and address are plainly written. This will mean a great sav-

Upon opening an account you will receive a card upon which full directions regarding payments are printed. The amounts and dates when due are plainly stated.

Receipts for payments are registered upon this card, and at the same time upon a duplicate card to be held by our bank. The cards show the amount paid at the time, also the total of previous payments.

These cards MUST be presented with each payment, but if lost or destroyed our duplicate preserves an exact record.

At the start, or at any time you may make payments for as many weeks in advance as you wish.

Ask any of our banks for full printed explanation of all details, or for any special information desired.
